Remarks:

Valid in conjunction with TÜV Rheinland certificate acc. to IEC 61215 and IEC 61730 and only for the material combination as listed in the abovementioned test report.

Conditions:

The product test is voluntarily according to technical regulations. Any change of the design, materials, components or processing may require the repetition of some of the qualification tests in order to retain type approval. Accordingly the repetition of the tests that are basis of this certificate may be required.

This certificate replaces certificate PV 60134813, page 1-3.

The certificate is valid until 5 August 2023.
